*AFFIDAVIT and permission for municipal, county and state officials to enter the property for inspections: I agree the statements made above are true and if found not to be true this application and any approval will be void. Further, I agree to comply with the conditions and regulations provided with this parent parcel division. I agree to give permission for officials of the municipality, county and the State of Michigan to enter the property where this parcel division is proposed for purposes of inspection to verify that the information on the application is correct at a time mutually agreed with the applicant. I understand this is a parcel division which conveys only certain rights under the applicable local land division ordinance, the local zoning ordinance, and the State Land Division Act (formerly the Subdivision Control Act, P.A.288 of 1967, as amended (.particularly by P.A. 591 of 1996), MCL 560.101 et.seq.), and does not include any representation or conveyance of rights in any other statute, building code, zoning ordinance, deed restriction or other property rights. If this division is approved, I understand local zoning ordinances and State Acts change from time to time, and if changed the divisions made here must comply with the new requirements (apply for division approval again) unless deeds, land contracts, leases or surveys representing the approved divisions are recorded with the Register of Deeds or the division is built upon before the changes to laws are made.*
