

APPLICATION FOR EXEMPTION FROM PROPERTY TAXES

INSTRUCTIONS:

File this application along with copies of documents listed on page 5 of this form. Property must be owned and used for the stated exemption purpose as of December 31 of the year prior to the year for which the exemption is claimed. **Application must be received by the Assessor's Office no later than February 15 of the year in which this exemption is being sought.** Your application may be on the attached forms or you may use an alternate equivalent form.

The following is the four-part test that Michigan Courts have established to determine if a property is exempt:

1. The real estate must be owned and occupied by the exempt claimant;
2. The exemption claimant must be a religious, library, benevolent, charitable, educational or scientific institution;
3. The claimant must have been incorporated under the laws of a state;
4. The exemption only exists when the buildings or other property thereon are occupied by the claimant solely for the purpose for which it was incorporated, or as further limited by the applicable statute.

Our policies are set by the State of Michigan law and court decisions, and not by the Charter Township of Calumet. We will use these criteria to determine your tax status. If you have any questions, please feel free to contact the assessor.
