

Up From Under Calumet Geoheritage Tour

**Celebrating 100 years of the National Park Service
and 150 years of Calumet Township**

Join the Isle Royale and Keweenaw Parks Association on a three-hour mini-coach tour focusing on geological features that are key to understanding the cultural and economic history of copper mining in and around Calumet. Sites visited will include the Centennial #6 mine, Calumet Lake, and locations where the Calumet conglomerate can be identified.

Bill Rose and Erika Vye, noted local geologists and geoheritage advocates, will guide us as we explore history and geology and how they work together.

Sunday, August 21st, 1:30 – 5:00 pm

Meet at the Keweenaw National Historical Park Calumet Visitor Center in the historic Union Building, 98 Fifth St, Calumet. Pre-registration is required and limited. Call 906-482-3627 or email irkpa@irkpa.org for information and reservations. Cost is \$15 for IRKPA members, \$20 for non-members.

This tour is sponsored by IRKPA as part of its annual membership meeting.
